

# 2024 LEONARD TATE SCHOLARSHIP WINNER

This year's Leonard Tate Scholarship award recipient is **Grace Spicer**. Grace graduated from Grundy County High School and is pictured here with her parents, Tim and Cordelia, and sister Anna at a reception hosted by Will and Elizabeth Ralph on July 27 with members of the Beersheba Springs Historical Society (BSHS) Board and other guests.

Grace showed great academic and leadership promise while in high school including National Honor Society roll for two years, president of the school's Book Club and involvement with the Entrepreneurship Club and the Youth Leadership Board. Outside of school, Grace has worked in hospitality for the Methodist Assembly and assisted at the Grundy County Archives.

Grace is starting college at The University of Tennessee (Chattanooga) this month and will major in business finance. The BSHS Board is very proud to again help a Beersheba Springs student realize their higher education goals while continuing to honor the legacy of Leonard Tate.
